

FUME CHAMBER

PCHO0007174

FUME CHAMBER

Our fume chamber with exhaust fan allows safe handling of composites resins, thanks to a chemical-resistant epoxy coating.

It is easy to set up on a work table, or can be fitted with four supporting legs.

IDEAL FOR

- ✓ Safe handling of composites resins

MAIN FEATURES

- ✓ Exhaust fan
- ✓ Workstation lighting
- ✓ Control system with visual and audible alarm
- ✓ Height adjustable
- ✓ Supporting legs : PCTA0007175

ADVANTAGES

- ✓ Easy to set up
- ✓ Made of steel
